

Accessory Elements

Introduction

The AES Pharma Wall System is designed with flexibility to accept typical cleanroom accessories without compromising structural integrity and without requiring significant engineering rework.

AES can provide accessory elements designed for added safety, protection, or convenience for your cleanroom operations, including:

- Wall protection
- Access panels
- Pass thrus
- Fire extinguisher cabinets
- Speech panels
- Speaker covers
- Telephones
- Utility panels

Compliance

All AES accessories conform to FDA, ISO, and EU regulations for cleanroom areas, as well as to AES quality standards for the AES Pharma Cleanroom System.

Toll-Free, 888-AES-CLEAN
